

AC&R SERVICES

Air Conditioning & Refrigeration Services

Vision Statement

To become the most respected company in our area for our knowledge and reliability in design, installation, and service of Heating, Air Conditioning, Refrigeration, and Ventilation systems in residential, commercial, and industrial buildings.

Our Mission

Our mission is to sell, install, and service heating, air conditioning and refrigeration systems, designed to provide our customers with the best value for their money spent.

We will achieve this by:

Training our personnel in the correct way of designing, installing, and servicing the equipment we sell.

Providing training to our personnel to provide superior service on systems we didn't install.

Recommend and provide the most energy efficient systems to our customers.

Treat our customers the way we would want to be treated as customers.
